Who is Ryuunosuke's Model?

I've been asked this questions a number of times but I don't specify use a model for my characters. But for Ryuunosuke's case there are a number of people's images that I have taken and combined together. . . Serge Gainsbourg is out of 3, the remaining 4 is "Leon" Jean Reno plus Philippe

Candeloro and Lupin the Third is included also. In the reader's corner before in Kist they said "If your going to make it into a drama we want Yoshitaka to do Ryuunosuke's character". That comment made me very happy... And recently I am into Vincent Gallo...

Take Your anime number 1

Why is Ryuunosuke always wearing sunglasses?

I would say that Ryuunosuke doesn't like his own face. Also he is a bit uneasy of eye contact with other people. There are some people like that right?

Babe Pop's only beautiful looking
guy was supposed to only appear
in "Tale of Boy" chapter but,
because of the reader's popular-
ity, and the votes for him was high
we forcefully dragged him back
from London... But for me, per-
sonally, I feel that Hannya and
Nagisa are both the same type of
people, she is a murder. Therefore
even though Hannya might hold a
machiavellian love towards Nagisa
Nagisa, herself might be more
attracted to the type that will
have the strength to
understand her
warped fatherly
complex... So, near the
end I had an uneasy
feeling while I finished
this book. It can't be helped.
The questions are going to be
asked so.

Nagisa is a Pro wrestling maniac?

... well, there is no doubt that this is if we look briefly at the time when she hides a signature from Ajax under her bed.

From the scene, near the end in "From her co-enemies", Nagisa embraces Tsubosuke from the back, when I drew that my assistant said he can only see it as "Tou just before he it caught into the sleeper hold near choking position", so I thought I would fix it but I didn't have time but...

In KISS reader's pick of famous scene this scene was ranked number one (thank-you very much) though I was thinking of fixing it but I couldn't laugh.

The draw sheet with position my assistant (2014) based on I showed as only and draw the hands
